Cavett Cafecito	<p>-At the February Cafecito it was decided that Cici would gather information on other fundraising ideas available from nearby eating establishments, especially In n Out Burger. In n Out's schedule is for fundraisers and I will contact them when window opens again in Fall to schedule at date. In the meantime, Cici has submitted a request to their offices for discount coupons and certificates.</p> <p>-At the Cafecito on February 28th, five parents attend. Discussion was the walkway behind Utterback. This a walkway that students and parents use to walk to and from Cavett. Trash, glass bottles, clothes, homeless people, and the condition of the walkway are all a concern. Ms. Leeson was in contact with a person from the City of Tucson who assured her this would be addressed and cleaned up. Ms. Leeson shared that Mayor Regina Romero's office and put her in touch with Steve Laturco who is now with the city, and in charge of this area. He was helpful and came out to see the area. It was determined that the area is not a wash but is privately owned. Efforts are being made to contact this person, to make changes. Efforts are also being made to relocate the homeless individuals. At this time, no one is able to go onto the property and clean up.</p>	Cecilia Armenta Ms. Leeson City of Tucson-Steve Laturco Canes In 'n Out

There is also preliminary planning to get a TUSD walk-way developed for the safety of Cavett and Utterback students.</p> <p>-The March 27th and April 10th Cafecitos did not have any attendance, but I know that this is a busy season and I make sure that I have posters out and speak to parents in the mornings and advised on campus events.</p> <p>-Fall Peter Piper Fundraiser has been scheduled for mid-October.</p>	
Cavett Spring Math Curriculum Night	<p>Spring Curriculum Math Night, held on March 26, 2024, attendance was 25 adults and 30 students.
